CCYA - Background

The Careel Cruising Yacht Association of Australia is a family orientated association of Careel owners providing comprehensive racing, cruising, training and social events.

The CCYA was formed in 1970 and currently has a membership of over 50 families, comprising both Careel 18 and Careel 22 sailors.

There are active Careel fleets in Sydney, Brisbane and Melbourne holding regular local events.

BENEFITS OF MEMBERSHIP

For the **family group** interested in enjoying life, the CCYA presents a balanced program through the year which includes cruise weekends, racing and social events.

Cruising is the heart of the association and our regular cruises exploring different waterways each month are very popular.

Careels are designed for **racing** as well as cruising and have out-performed many other trailer yachts.

Beginning sailors are especially **welcome** and special efforts are taken to help improve sailing skills. We can help with training and coaching until you feel confident.

The CCYA is a class association which defines and controls the measurements, rigging, equipment and **safety standards** on a national basis.

CCYA members receive a **monthly** electronic **newsletter** containing current items of interest, and have **full website access**. The Facebook groups for NSW and QLD are also popular.

COST OF MEMBERSHIP

Sydney Metro: \$50 annual
Interstate & Country: \$30 annual
(All memberships expire 31st March)
